

# PERIOPERATIVE GRADUATE NURSING PROGRAM

## PART-TIME 70 hours per fortnight

We are now accepting applications for the January 2025 Registered Nurse Perioperative Graduate Program at Bethesda Health Care. We seek motivated and committed individuals looking for a hands-on experience to join our team!

### What our graduate program offers:

The Bethesda Health Care Perioperative Graduate Nurse Program provides a positive and supportive environment in which graduate nurses are encouraged to develop both clinically and professionally while gaining exposure to a variety of clinical specialties, including orthopaedics, general surgery, urology, gynaecology and more. Work in a brand new, state-of-the-art complex of nine theatres. With three rotations over 12 months, you will gain experience in scrub/scout, anaesthetics and post-anaesthetic care.

Other features of the Perioperative Graduate nurse Program include:

- One-week orientation program
- Supernumerary time in each perioperative area
- Fortnightly education sessions
- Extensive Support from the Staff Development Nurses, preceptors and Bethesda's Learning and Development Team
- Ongoing further education, including study days
- 56 – 70 hour per fortnight contracts available

### About Bethesda Health Care:

Bethesda Hospital is a private, not-for-profit hospital with a strong reputation for high-quality care in surgery (Orthopaedics, urology, plastics, gynaecology, general surgery and pain management) and is one of Perth's leading inpatient palliative care units. The Hospital is situated on the shores of Perth's picturesque Swan River and has been providing care and services to the Western Australian community for over 80 years. We also have a Palliative care consultancy provided by MPaCCS located in South Perth.

We encourage the pursuit of continuous professional development and education and support our people to grow and flourish. We pride ourselves on working with talented, passionate and caring people to ensure our patients receive the highest quality care and experience during their stay with us.

### Employee Benefits include:

- Friendly, modern and supportive working environment
- Competitive salary and conditions
- Generous Salary Packaging options (**\$15,900- pay less tax**)
- Heavily discounted staff meals
- Access to subsidised on-site and close-by off-site parking and very close to public transport
- Support the pursuit of post-graduate qualifications and part contribution to fees
- Employee Assistance Program

### How to Apply:

For further information and confidential enquires, contact Dr Marie Murphy, Manager Learning & Development, via email at [graduates@bethesda.org.au](mailto:graduates@bethesda.org.au).

To apply, please email your CV, including your reason for applying to the Bethesda Health Care Hospital Graduate Nurse Program, along with an [Application Form V9.pdf](#) to: [graduates@bethesda.org.au](mailto:graduates@bethesda.org.au) by close of business **Sunday, 21 July 2024**. For a copy of the position description, you can [Click here](#).

**Documents required for our Application Process:**

- Covering letter, application form and Current CV
- Certified copy of your academic transcript
- Two certified clinical reports from recent clinical placements (from clinical facilitators)
- Two clinical referees (must have phone and email contact details)
- Working with Children Check and National Police Clearance

We strongly encourage Aboriginal and Torres Strait Islanders to apply.

Please note that successful applicants will be contacted via phone or email. Unfortunately, due to the high volume of applications received for this program, we are unable to provide individual feedback on your application if you are not shortlisted.

We reserve the right to close applications before the specified closing date.
