

## Consultant/Specialist in Palliative Medicine

### *Part-time Opportunity (0.67 FTE or Potential for Two Part-time Positions)*

Bethesda Health Care has an excellent opportunity for a dedicated and experienced Consultant/Specialist in Palliative Medicine to join our compassionate, multidisciplinary team. In this role, you will make a profound difference by delivering specialised care to both public and private patients. You will provide direct care in our highly regarded inpatient palliative care unit, extend your expertise through our community consultancy services, and offer vital telehealth support to rural and remote communities. This position is available as one part-time role (0.67 FTE) or could be split into two part-time roles for the right candidates.

#### **Why Choose Bethesda?**

At Bethesda Health Care, we take pride in creating a supportive and enriching work environment. Joining our team offers a wide range of benefits, including:

- **Competitive Salary:** In line with the WA Health System – Medical Practitioners AMA Industrial Agreement 2022, offering attractive compensation.
- **Generous Salary Packaging:** Enhance your take-home pay with up to \$15,900 towards living expenses and an additional \$2,650 for meal entertainment.
- **Professional Development Leave:** Access three weeks of professional development leave annually, fostering career growth and continuous learning.
- **Free On-Site Parking:** Enjoy the convenience of free parking, ensuring stress-free access to work.
- **Discounted Staff Meals:** Benefit from affordable and high-quality meals, available to all staff.
- **A Friendly and Supportive Working Environment:** Be part of a collaborative, inclusive team where professional support and personal well-being are priorities.

#### **What We're Looking For:**

We are seeking a highly skilled and compassionate professional who is passionate about patient care. The ideal candidate will demonstrate:

- Full registration with the Medical Board of Australia as a Specialist in Palliative Medicine and current registration with the Australian Health Practitioner Regulation Agency (AHPRA).
- Demonstrated experience in providing specialist palliative care, with a proven ability to manage complex medical conditions while delivering exceptional patient-centred care.
- Excellent communication, interpersonal, and leadership skills, accompanied by a strong commitment to clinical teaching and mentorship.
- A dedication to continuous professional development, with a focus on quality improvement and patient safety.
- Alignment with Bethesda Health Care's values of Trust, Respect, Integrity, Compassion, Excellence, and Professionalism.
- Current knowledge of legislative obligations concerning Equal Opportunity, Disability Services, and Workplace Safety and Health, along with an understanding of their impact on employment and service delivery.
- Eligibility for or possession of a current C or C-A Class driver's licence.

### **About Bethesda Health Care:**

Located on the stunning banks of the Derbarl Yerrigan (Swan River) in Claremont, Perth, Bethesda Health Care is a premier not-for-profit private hospital. We are home to one of Perth's leading inpatient palliative care units and provide an esteemed consultancy service through the Metropolitan Palliative Care Consultancy Service (MPaCCS). We also reach rural and remote communities through telehealth services. Our facilities include nine theatres, sixty-six inpatient beds, and a twenty-bed Procedure Unit.

At Bethesda, we are committed to the well-being, development, and satisfaction of our staff, and we foster a workplace culture that prioritises professional excellence and personal growth.
