

Clinical Nurse (Palliative Care)
Permanent Part-Time (60-75 Hours Per Fortnight)
Location: Perth Metropolitan Area
Service Area: South, Southeastern, and occasional Northern Suburbs

Bethesda Health Care's Metropolitan Palliative and Community Care Service (MPaCCS) is inviting applications from dedicated and experienced Clinical Nurses to join our dynamic palliative care team. This is a permanent part-time role that offers the opportunity to make a meaningful impact on patient care and quality of life within the community.

About the Role

In this role, you will actively promote best-practice nursing care for residents and their family carers through education, mentorship, and hands-on leadership. You will support facility staff in delivering evidence-based, holistic palliative care, ensuring that end-of-life care is compassionate, respectful, and of the highest quality.

While primarily based in Perth's South and Southeastern metropolitan areas, occasional support in the Northern suburbs may be required.

About You

We are looking for a Clinical Nurse with at least three years of palliative care experience who brings a passion for person-centred care. The ideal candidate will demonstrate:

- A strong commitment to delivering excellence in palliative care
- The ability to work independently and collaboratively within a multidisciplinary specialist team
- Advanced problem-solving skills and the ability to build strong professional relationships
- Leadership qualities and a deep understanding of palliative care practices

Essential Requirements

- Current AHPRA registration
- Valid WA Driver's Licence (C-class, unrestricted)
- Willingness to obtain a National Police Clearance
- Full working rights in Australia
- A commitment to working within an organisation driven by values and behaviour

Why Join Bethesda Health Care and MPaCCS?

Bethesda Health Care is renowned for its compassionate, high-quality care, and our MPaCCS team provides a vital mobile palliative care consultancy service. We work collaboratively with GPs and healthcare providers across residential aged care, mental health, disability services, and corrections to improve patient outcomes and empower staff through education and mentorship.

As part of our team, you will work in a supportive environment that values occupational health and safety and is committed to workforce development.

Benefits:

- Friendly and modern working environment
- No on-call duties
- Set days, Monday to Friday roster
- Salary packaging up to \$15,900
- Access to fitness and wellbeing benefits through WHEREFIT
- Company-provided vehicle for work use
- Free parking
