

GRADUATE REGISTERED NURSING PROGRAM

PART-TIME 56 - 70 hours per fortnight

We are proud to offer our Graduate Nursing Program, a unique and dynamic pathway designed to support your transition from student to confident healthcare professional.

We seek applications from motivated and committed individuals looking to gain hands-on experience with the flexibility to pursue a formal qualification through the University of Notre Dame if desired.

Applications for the **July 2025 Registered Nurse Graduate Program at Bethesda Health Care** are now open!

What Our Graduate Program Offers:

The Bethesda Health Care Graduate Nurse Program provides a positive and supportive environment where graduate nurses are encouraged to develop clinically and professionally. You will gain exposure to a range of clinical specialties through two rotations over 12 months, including:

- Surgical
- Palliative Care

Other Key Features of the Graduate Nurse Program include:

- A comprehensive four-day induction program
- Supernumerary time in each clinical area
- Fortnightly education sessions to enhance professional development
- Continuous support from Staff Development Nurses, preceptors, and Bethesda's Learning and Development Team
- Access to ongoing education, including study days
- 56-70 hour per fortnight contracts

Join us and be part of a nurturing program that prioritises your growth in a diverse and dynamic healthcare environment.

Optional Graduate Certificate in Clinical Nursing

We have partnered with **Notre Dame** to offer the **Graduate Certificate in Clinical Nursing**, which you can opt to complete alongside Bethesda's Graduate Program. The fees are competitive, and financial support is available to successful candidates. This program enhances your clinical knowledge and decision-making skills through a combination of online and practical modules.

Note: You do not need to have completed your undergraduate degree at Notre Dame to participate in the Graduate Program or pursue the Graduate Certificate.

About Bethesda Health Care

Bethesda Hospital is a medium-sized private hospital nestled on the banks of the beautiful Derbarl Yerrigan (Swan River) in Claremont, Perth. The hospital has nine theatres, sixty-six inpatient beds, and an 18-bed Day Procedure Unit.
